Clinton-Glen Gardner School District

Mission

The Clinton-Glen Gardner School District is a community who values traditions. Our mission is to nurture and cultivate each child to be a compassionate, curious, and creative thinker, entrusted and empowered to build and lead the future.

Philosophy

Experience with and knowledge of the arts is an essential component of student learning in the 21st century. As we meet the needs of a changing world and the 21st century workforce, capitalizing on the unique ability of the arts to unleash creativity and innovation in our students is critical for success. The arts enable personal, intellectual, social, economic, and human growth by fostering creativity and providing opportunities for expression beyond the limits of language. Equitable access to arts instruction is achieved when students have regular experiences in each of the four arts disciplines (dance, music, theatre, and visual art). Thus, the goal of the music program is to contribute to students' regular, sequential arts instruction.

As with any language, musical literacy provides the tools necessary to express one's self. The music curriculum provides the tools with which students can become musically literate and fosters students who:

- Create, reshape, and fully participate in the enhancement of the quality of life, globally
- Participate in social, cultural, and intellectual interplay among people of different ethnic, racial, and cultural backgrounds
- Possess essential technical skills and abilities significant to many aspects of life and work in the 21st century
- Understand and impact the increasingly complex technological environment.

Differentiation

Special Education: Read and follow IEP/504. Meet with CST case manager if additional guidance is needed.

For Gifted: Encourage risk taking in crating their projects as opportunities to stretch skills during production. Actively assess to identify student interests, learning preferences and the ability to work independently.

At Risk: Review specific accommodations for individual students in RTI folder. If accommodations are not working, schedule meeting with RTI case manager to discus and refine/update strategies.

ELL: Meet with Mrs. Olczak to discuss specific accommodations based on student progress and placement on WIDA testing.

Assessments

Formative Assessments:

- Ask questions
- Think-pair-share
- Exit tickets
- Demonstrate learning through diagramming or charting

Summative Assessments:

- End of unit tests/quizzes
- Final projects

District Benchmark:

K-1: Keep a steady beat.

Perform and Identify run, walk and gallop: red leaves and yellow leaves

2: Keep a steady beat.

Perform and Identify quarter and eighth note and half note rhythms.

K-1: Sing and sign sol-mi on pitch.

Play the bells on sol-mi.

Sing a variety of simple melodies.

- Silver Birdette Grade 1 & 2 Textbook, CDs
- Rockin' a Round
- Drum
- Rhythm cards
- Meet the Note Family Coloring book
- Music K-8 magazine

- Classroom Instrument Bingo
- Elmo Peter and the Wolf Video
- Second Grade play songs

21st Century Skills (The ones that apply to this unit are in bold)

- Creativity & Innovation
- **Critical Thinking & Problem Solving**
- **Communication & Collaboration**
- Media Literacy
- Information Literacy
- Information, Communication & Technology

21st Century Themes (The ones that apply to this unit are in bold)

- Global Awareness
- Financial, Economic, Business and Entrepreneurial Literacy
- **Civic Literacy**
- **Health Literacy**
- Environmental Literacy

Technology Standards

- 8.1.5.A.1 Select and use the appropriate digital tools and resources to accomplish a variety of tasks including solving problems.
- 8.1.5.A.3 Use a graphic organizer to organize information about problem or issue.
- 8.2.2.B.2 Demonstrate how reusing a product affects the local and global environment.

Career Education Standards

- 9.2.4.A.2 Identify various life roles and civic and work-related activities in the school, home, and community.
- 9.2.4.A.3 Investigate both traditional and nontraditional careers and relate information to personal likes and dislikes.

Career Ready Practices

- CRP1. Act as a responsible and contributing citizen and employee.
- CRP2. Apply appropriate academic and technical skills.
- CRP4. Communicate clearly and effectively and with reason.
- CRP6. Demonstrate creativity and innovation.

Interdisciplinary Connections:

- RF.K.2 Demonstrate understanding of spoken words, syllables, and sounds (phonemes).
- NJSLSA.W10 Write routinely over extended time frames (time for research, reflection, and revision) and shorter time frames (a single sitting or a day or two) for a range of tasks, purposes, and audiences.
- K.CC.A Know number names and the count sequence.
- K.CC.B Count to tell the number of objects.

K.MD.B Classify objects and count the number of objects in each category.
1.OA.C Add and subtract within 20.
1.NBT.A Extend the counting sequence.
2.G.A Reason with shapes and their attributes.

Assessments

Formative Assessments:

- Ask questions
- Think-pair-share
- Exit tickets
- Demonstrate learning through diagramming or charting

Summative Assessments:

- End of unit tests/quizzes
- Final project

District Benchmark:

K-1: Sing and sign do-mi-sol on pitch.

Play the bells on do-mi-sol.

Sing a variety of simple melodies.

2: Sing a variety of rounds.

Sing on pitch from basic notation.

K-1: Follow coloring directions when coloring the note family.

2: Identify notes in a piece of music.

K-1: Sing and sign solfegg on pitch.

Play the bells on melodies.

Sing a variety of simple melodies.

2: Sing a variety of rounds.

Sing on pitch from basic notation.

Perform in a musical production.

K-1: Play instruments on a steady beat.

Play instruments with proper technique.

Follow a conductor.

2: Play instruments in a rhythmic pattern.

Play Instruments with proper technique.

Follow a conductor.

Identify classroom instruments in a game.

Identify families of instruments.

K-1: Move to specific choreography.

Create moves for specific tempos.

- Follow directions for a short narrative play.
- 2: Move to specific choreography.
Create dance moves to songs.
- K-1: Follow coloring directions when coloring the rest family
- 2: Identify notes in a piece of music.

Differentiation

Special Education: Read and follow IEP/504. Meet with CST case manager if additional guidance is needed.

For Gifted: Encourage risk taking in crating their projects as opportunities to stretch skills during production. Actively assess to identify student interests, learning preferences and the ability to work independently.

At Risk: Review specific accommodations for individual students in RTI folder. If accommodations are not working, schedule meeting with RTI case manager to discus and refine/update strategies.

ELL: Meet with Mrs. Olczak to discuss specific accommodations based on student progress and placement on WIDA testing.
