Dear Parents/Guardians:

Our goal was to provide all members of the CPS community with a clear set of standards and expectations for behavior and character development. Our Code of Student Conduct (CSC) was developed collaboratively by a committee consisting of students, teachers and parents. We believe that our CSC reflects the vision and shared beliefs of the various constituencies of our educational community.

The success of our CSC is dependent upon the involvement of our entire school community. It is our collective responsibility to model these expectations and instill these principles and attributes in our children. While there are consequences and disciplinary measures throughout the document, our goal was to create a CSC that presents students with a guide for making positive choices and clear guidelines for finding success as students, as members of a school community, and as members of a society.

As a parent or guardian of a Clinton Public School student, I have reviewed the *Code of Student Conduct* of the Clinton-Glen Gardner School District posted on the CPS web-site cpsnj.org. If you need a paper copy please contact the Main Office. I have discussed with my child the necessity and importance of following the disciplinary guidelines and procedures as described in this booklet. I understand that a violation of these rules may result in disciplinary action, which may vary depending on the seriousness of the offense.
