Dear Parents:

Clinton Public School is proud to highlight the achievements, accomplishments, programs and community service of its students on our district website (www.cpsnj.org) and in other media. While the intent of this practice is to be informative, there is a concern about the individual right to privacy.

As you are aware, there are potential dangers associated with the posting of personally identifiable information on a web site since global access to the Internet does not allow us to control who may access such information. These dangers have always existed; however, we as a school do want to celebrate your child and his/her work. The law requires that we ask for your permission to use information about your child.

In accordance with New Jersey Statute, N.J.S.A. 18A:36-35, we are sending you this parental consent form to both inform you and to request permission for your child's photo/image/voice and/or full name to be published.

2017 – 2018 District Publicity Consent Form

Pursuant to law, we will not release any personally identifiable information without prior written consent from you. Personally identifiable information includes student names, photo or image, video and audio. We will **NOT** post residential addresses, e-mail addresses, phone numbers and the locations and times of class trips on the public/global web site.

If you, as the parent or guardian, wish to rescind this agreement, you may do so at any time in writing by sending a letter to the superintendent and such rescission will take effect upon receipt by the school.

Check one of the following choices:

- PHOTO WITH NAME** - I/We GRANT permission for a photo/image/video/audio of this student WITH this student's full name to be published. (Example: sport teams, class projects, awards, etc.)
- NAME OR PHOTO** - I/We GRANT permission for EITHER a photo/image/video/audio that includes this student to be published on the school district's public Internet site OR this student's full name to be published, but NEVER together.
- NO NAME OR PHOTO** - I/We DO NOT GRANT permission for this student's full name or photo/image/video/audio to be published. This in no way will preclude your child from participating in the activity surrounding the publicity.
