## RE: Human Papillomavirus (HPV)

Dear Parents,

In accordance with N.J.S.A. 18A:40-42 the New Jersey Department of Health and Senior Services has developed educational facts sheets about the Human Papillomavirus (HPV). Public school districts are statutorily required to distribute a fact sheet about vaccination against HPV to parents or guardians of students in grade seven. The required fact sheet can be found at [https://www.state.nj.us/health/cd/documents/hpv\\_brochure.pdf](https://www.state.nj.us/health/cd/documents/hpv_brochure.pdf)

Please contact me at [jsedlacek@cpsnj.org](mailto:jsedlacek@cpsnj.org) if you have any additional questions regarding HPV and the vaccination that is available.

Sincerely,

Jen Sedlacek, RN  
School Nurse
